

GUAM WEATHERIZATION ASSISTANCE PROGRAM

~Providing ENERGY SAVING SERVICES to eligible clients~

WHAT IS IT?

The Weatherization Assistance Program can help reduce energy costs for income eligible applicants by improving the energy efficiency of their homes while ensuring their health and safety. The program gives priority to assist the elderly, individuals with disabilities, families with children, high residential energy users, and households with a high energy burden.

WHAT DOES IT DO?

The Weatherization Assistance Program conducts a full house assessment to determine if your home meets program standards and if it requires any or all of the following:

- Replace Refrigerator and/or Air Conditioner with Energy Efficient models
- Install of Light-Emitting Diode (LED) bulbs.
- Apply Weather-strips/doorsweeps to seal air leaks
- Install Low-flow Shower Heads and Faucet Aerators
- Install Smoke Detectors and/or Carbon Monoxide Detectors

DO I QUALIFY?

Weatherization services* are FREE to individuals who have met the eligibility criteria based on total household income. Provided below is the income limits based on family size. To qualify, the total household income shall not exceed the maximum income stated below.

PRIVACY ACT INFORMATION

Privacy Act Provisions

Under section 3(e)(3) of the Privacy Act 1974, 5 USC 552a(e)(3), each agency that maintains a system of records shall inform each individual from whom it solicits information of the authority which permits the solicitation of the information; whether disclosure is voluntary; the principal purpose for which the information is intended to be used; the routine uses which may be made of the information; and the consequences, if any, resulting from failure by the individual to provide the requested information. This statement is required by the Privacy Act to be furnished prior to the collection and use of the information requested on the application for weatherization. You may retain this statement for your records.

Program Authority

The specific authority for the maintenance of weatherization client information is sections 416 and 417 of the Energy Conservation and Production Act, Pub. L. 94-385. These sections direct the U.S. Department of Energy (DOE), which is a sponsor of this program, to monitor the effectiveness of this program, and to require a weatherization agency implementing this program to keep records for DOE monitoring.

The Guam Energy Office (GEO) Weatherization Assistance Program is the recipient of weatherization funds from DOE, and is required by 10 CFR 440 to document the eligibility of every dwelling unit weatherized and to maintain records for program monitoring and evaluation. GEO and/or its representative shall demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to GEO and its representative.

Voluntary Disclosure

Your responses to the request for information on the Weatherization Assistance Application, Utility Information Release form, and the Homeowner/Renter Authorization Agency Certification and Agreement form and any other required documents relating to this program are entirely voluntary. However, should you decline to provide the information requested you may not be considered for assistance.

Principal Purpose of Information

The information will be used by the local weatherization agency to implement the weatherization program. It will be used by DOE to monitor the effectiveness of the program.

I understand my information is used only to provide data for internal evaluation purposes and is held in accordance with applicable Federal, state, and local statutes.
